## A Peek at Our Week

**Religion-** This week we learned that we must always be ready for the coming of Jesus. To be ready, means to be caring and helpful to our friends and neighbors. We acted out the story of the Little Red Hen to help us to remember to always try to help those in need. We also are talking about the many gifts that we are thankful for. We'll be extending this into next week in preparation of Thanksgiving.

**Reading-** We are really starting to learn how to phonetically sound out words. We adopted a new phonics program that will help us to do learn all of our phonics skills. We also added from, five and any to our High Frequency Word Pockets. We also continue to learn how to write each of the letters correctly.

**Math-** This week in math we learned a lot about graphs. We are getting very good at answering questions through graphs and are excited to make our own graphs next week!

Thanks to everyone for taking time out of your very busy schedules to talk with me about your child's progress. I enjoyed talking to each one of you about your wonderful children. This truly is a very wonderful class and I am so blessed to be their kindergarten teacher.

## Winter Weather Reminder

Since winterweather is probably here to stay for a while, I want to inform everyone about the school policy for winter weather dress. Unless the weather is below zero (with the wind chill), we will be going outside every day for recess. If there is snow on the ground, students must wear snow pants and boots outside along with their hats and mittens. Snow pants may be kept at school but boots will be worn home daily if your child is riding the bus or getting picked up. Unless you tell me otherwise, snow pants will be sent home each weekend. Also, it may just be easier to keep a pair of shoes at school for children to change into. Thank you so much for your help.

To form a Christ-centered Catholic community where faith and learning are lived and celebrated daily through Gospel values and academic excellence.
