## A Peek at our Week....

We had another wonderful week in kindergarten. The children are working so hard and learning so much. This week we took our FASTBridge testing that we will use as a baseline for when we take the test again in the winter and spring. This week we also started our Promise religion curriculum that focuses on the Sunday Gospel Readings. The children loved the activities and all the stories. We even had time for a little Science this week where we are learning all about wood. Our new letters we learned this week were F, E, G and Q. We also added the words purple, black and make to our word pockets.

## Pumpkin Patch Field Trip

Next Tuesday, October 6<sup>th</sup> at 12:00 the Kindergarten and First Grade Students will be heading to Royalton for our Pumpkin Patch Fieldtrip. Please dress your child appropriately and pray for good weather. The children will each be able to pick out their own pumpkin but the pumpkin should be no larger than the size of their head and they must also be able to carry it themselves from the pumpkin patch to the bus. The Stich's are very generous every year in allowing us to come to their pumpkin patch and charge a very nominal fee for each child to pick out their own small pumpkin. Thanks in advance for all your help. The children always love this fieldtrip!

## DATES TO REMEMBER
